Effective Date: May 1, 2024

Rev 2.0

#### **PURPOSE**

To enable international travel for TrusTrace employees proceeding on business trips.

#### **OUR TRAVEL PRINCIPLES -** We collectively strive to prioritize these principles.

At TrusTrace, we prioritize sustainable travel practices to reduce our global carbon footprint. Before deciding to travel, we encourage employees to consider the following:

- Can this meeting be conducted virtually?
- If travel is necessary, how can we do it sustainably?

#### **APPLICABILITY**

This fixed Per Diem will only apply to India-based employees for trips originating from India. It covers:

- All India-based employees on deputation/secondment or business travel within or outside their country of assignment.
- Daily Conveyance, food, and out-of-pocket expenses are included within the Per Diem.
- Other business-related expenses will be reimbursed over and above the Per Diem on actuals with approval from the Business Head and submission of bills.
- Travel related Expenses within the limits approved need not be supported by bills at the time of travel claim submission.
- Per Diem is applicable from the landing date at the assignment location to the departure date, with the exception stated below.
- On the departure day, if leaving before 9 a.m., employees can claim only food and out-of-pocket expenses, subject to specified limits in the domestic Travel Policy.
- Reimbursement is allowed for within 7 working days from the end of the business trip.
- If the travel plan includes multiple locations clubbed into the same itinerary, the employee is advised to specify the same to ensure accurate Per Diem disbursal. A detailed plan must be submitted before travelling, as far as possible.

#### PROCEDURAL DETAILS

### **Accommodation & Flight:**

Hotels and flights should be booked with sufficient approval and notices updated with the travel desk. Employees must provide all necessary details for relevant visas. Visa and other related expenses including travel to another city for Visa stamping will be reimbursed upon production of bills.

• **Flights**: For long-distance direct flights that have a duration of 9 hours or more, employees are eligible for premium economy. For all other flights, economy tickets will be arranged. Per Diem on the first and last travel days is limited to 75% of the specified amount.
